In addition to the parks and recreational areas listed above, Iowa has over 250 county parks providing a vast array of camping, boating, fishing and hunting opportunities. For more information contact:

Iowa State Conservation Commission
Valley Bank Building, 300-4th Street
Des Moines, IA 50309
Phone: 515/281-5145

INFORMATION FOR MOTORISTS

IOWA'S TRAFFIC LAWS are similar to those in other states. At signalized intersections you may make a right turn on red except where prohibited by signing. Use your turn signals, dim your lights when meeting or overtaking another vehicle on both divided and two lane highways. Do not pass in an intersection and observe the no passing zones.

APPROPRIATE SPEED LIMITS are posted for your safety and convenience. In line with the nationwide speed limit for energy conservation, the maximum speed limit on Iowa's highways is 55 MPH. The minimum speed limit on Iowa's Interstate System is 40 MPH. On highways where the maximum speed is not safe, appropriate speeds are posted. Excessive speed is a factor in many highway accidents, therefore Iowa enforces the speed limits.

IN CASE OF CAR TROUBLE drive off the travelled roadway; turn on your emergency flashers; exit from the passenger side and raise your car hood. Also tie a cloth to your antenna or door handle. Use red flags or flares if available. For your safety stand or sit on far from the roadway as possible. If you are a passing motorist and observe a distress signal, notify the state patrol, sheriff or other police officers, and give the location of the motorist in need of help.

IN CASE OF AN ACCIDENT you must notify a law enforcement officer if the apparent total property damage exceeds $250, or if there are injuries or deaths. Do not leave the scene of an accident; provide assistance to the injured. Within 3 days you must submit a written report of the accident to the Motor Vehicle Division, Iowa Department of Transportation. Report forms are available from local police departments, county sheriffs, or the Iowa State Patrol.

IOWA'S MAJOR COUNTY ROADS are now identified on the Transportation Map. This letter-number identification combined with signs along the highway guide the motorist using Iowa's county roads.

BICYCLISTS share Iowa's roadways with other vehicles. They are subject to all rules of the road as are the motor vehicles. Head lamp and rear reflectors are required for night operation. Iowa's extensive paved county road system, local city street and special bicycle paths provide excellent route selections for the bicyclist. Bicycling the rolling Iowa countryside is fun and energy-efficient. Motorists, please have patience and share the roadway safely with your fellow taxpayer.

DETOUR AND EMBARGO MAPS showing highways closed, roads under construction, roads and bridges prohibiting heavy loads, are published every other week from March through December. These maps are free to public agencies and are posted in Iowa's rest areas. Individuals may purchase detour maps from the Iowa Department of Transportation. Annual construction season subscriptions (approximately 20 issues) can be purchased for $5.

DRIVERS LICENSES for Iowa motorists can be renewed at 136 locations in 133 Iowa cities. Facilities and services at most licensing stations have been expanded to accommodate the Iowa motorist. Many stations provide evening services. Iowa drivers licenses must be renewed on a 2 or 4-year cycle, depending upon the age of the driver and the type of license. Iowa's new drivers licenses provide color photo identification at no increase in fee.

MOTOR VEHICLE INFORMATION CENTER has a toll free number- 800-532-1121. Please call this number for information regarding drivers licenses, motor vehicle registration and inspection.

A 24-HOUR TRUCK PERMIT CENTER is located in Des Moines just north of the Interstate 80 and 2nd Avenue Interchange. Instant service is available on reciprocity permits, trip permits, fuel permit applications, over-dimensional permits, and overweight permits for Iowa and other states. For more information phone 515-281-5827.

IOWA'S REST AREAS are spaced at regular intervals along the highway to make your trip safer and more pleasant. Many of Iowa's modern rest areas are equipped with facilities for the handicapped. These facilities and others such as telephones and travel trailer disposal sites are appropriately signed along the highway. Please help us keep our highways and rest areas clean. Use the trash receptacles provided for your litter. Do not throw trash out your car window. State law imposes penalties of a $100 fine or a 30-day jail sentence for littering.

SEAT BELTS SAVE LIVES

BUCKLE UP FOR SAFETY

MILEAGE CHART INSTRUCTIONS

Follow down the vertical column under the name which is first in alphabetical order until it intersects the horizontal column opposite the second name. This figure is the distance between the two cities. For example, the distance between Ames and Davenport is 174 miles.
