IOWA
2011 TRANSPORTATION MAP

WELCOME TO IOWA!

On behalf of our over three million friends, neighbors and fellow citizens, it is our pleasure to welcome you to Iowa. Whether you are visiting to see family, advance your education, enjoy our exceptional recreational areas, or pursue business opportunities, we wish you both a memorable and successful stay.

During your travels, we encourage you to take the occasion to enjoy Iowa's striking scenery and embrace its homespun hospitality. We offer spectacular sunrises over the Mississippi River to the east, glorious sunsets along the Missouri River to the west, and the most magnificent harvest moons in every community in between. In addition, the character and charm of Iowa's historical communities are matched only by the warmth and welcome provided by its people.

Long known for its Midwest work ethic, as well as its commitment to academics and agriculture, Iowa remains a national leader in education and farming, but our state is also emerging as a global leader in many diverse fields, including biotechnology, insurance and financial services, renewable energy, and information technology.

Regardless of the purpose of your visit, your safety while traveling within the state of Iowa is of paramount importance to us. Road condition reports are available at www.511ia.org or by calling either 511 (inside Iowa) or 800-288-1047 (outside the state). Thank you for observing our traffic regulations, and enjoy your time with us in Iowa.

We welcome you to play — we invite you to stay.

Sincerely,

Terry E. Branstad
Governor of Iowa

Kim Reynolds
Lt. Governor of Iowa
