A map of the Galena area. A red line representing a river flows from the top left towards the bottom right. The word "River" is written in blue along the river. The town of "Galena" is marked with a small square on the river. To the right of Galena, the text "1000' 2000' 3000' 4000' 5000' 6000' 7000' 8000' 9000' 10000'" is written, indicating elevation. A small circle with the number "7" is visible on the right side of the map.

A map of the Savannah area showing the river, bridges, and surrounding roads. The river is depicted in blue, flowing from the top left towards the bottom right. A red line represents a major road, likely I-95, which runs parallel to the river. Several bridges are marked with icons: a gear icon for the Fall Bridge, a star icon for the Old Bridge, and a circle icon for the New Bridge. The city of Savannah is labeled in red text. Surrounding roads are marked with numbers in circles: 52, 113, 3, and 64. A small inset map in the top left corner shows the location of Savannah relative to the 'Grave of First Governor of Iowa'.

A map of the Geneseo, NY area. The Erie Canal is shown as a blue line running horizontally. Major roads are marked with shields: 6 (yellow), 80 (black), and 82 (white). Locations labeled include Milan, Coal Valley, and Geneseo. A red diamond symbol is placed on the canal near the intersection with road 80.
