BICYCLISTS share Iowa's roadways with other vehicles. They are subject to all rules of the road as are the motor vehicles. Head lamp and rear reflectors are required for night operation. Iowa's extensive paved county road system, local city street and special bicycle paths provide excellent route selections for the bicyclist. Bicycling the rolling Iowa countryside is fun and energy-efficient. Motorists, please have patience and share the roadway safely with your fellow taxpayer.

TRUCK PERMITS AND MOTOR VEHICLES: A 24-hour truck permit center is located in Des Moines on 2nd Avenue just north of Interstate 80. Instant service is available on reciprocity, trip, over dimension, overweight permits and fuel permit applications for Iowa and other states. Call **515-281-5827**. For information on drivers licenses, motor vehicle registration and inspection, call toll free **1-800-532-1121**, in Iowa.

LOGO SIGNING

Iowa has established a logo signing program to aide motorists in identifying services along the Interstate System. The greatest required travel distance for a particular service is displayed under the directional arrow on the logo panel on the exit ramp. No mileage is displayed if all participating businesses are within one mile of the interstate. As you travel look for this Logo Signing.
